YWF 2024 **AGENDA**

14:05 - 14:20 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:20 - 14:35 14:30 - 15:00 15:00 - 15:00 15:00 - 15:30 15:00 - 15:30 15:00 - 15:30 15:00 - 15:30 15:00 - 15:30 15:00 - 15:30 15:00 - 15:45 15	14:00 - 14:05	Opening Remarks
14:20 - 14:35 Racial and Ethnic Disparities in Breast Cancer Outcomes for Young Women Yap Yoon Sim, Singapore Bridging the Gap with Oncofertility Care Kim Hee Jeong, South Korea 14:35 - 14:50 Reaking Barriers: Redefining Treatment Standards in High-Risk Early Breast Cancer with Abemaciclib - Satellife Symposium by DKSH Chairperson: Elaine Lim, Singapore Speaker: Stephen Johnston, UK SESSION 2: Navigating the Complexities of Genetic Testing for Hereditary Breast Cancer Syndrome Chairperson: Zhang Zewen, Singapore 15:30 - 15:45 Genetic Testing in an Ethnically Diverse Asian Country Diana Ishak, Singapore 15:45 - 16:00 Mainstreaming Genetic Testing: Balancing Efficiency and Informed Consent Zhang Zewen, Singapore Tumor Board: Hereditary Cancer Syndromes beyond BRCA - Li Fraumeni / Cowden's Moderator: Samuel Ow, Singapore Panellists: Muhammad Azrif, Malaysia Ava Kwong, Hong Kong Faye Lim, Singapore Panellists: Muhammad Azrif, Malaysia Ava Kwong, Hong Kong Faye Lim, Singapore Panel Discussion: A Case of Pregnancy Associated Breast Cancer Moderator: Ma Jun, Singapore Panell Discussion: A Case of Pregnancy Associated Breast Cancer Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Thittya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Rics5-17:35 Rics5-18:20 Making the Case for Proton Beam Therapy in Young Women with Breast Cancer Faye Lim, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA 18:35 - 18:50 Q&A		
14:35 - 14:50 14:35 - 14:50 14:35 - 14:50 Rinding the Gap with Oncofertility Care Kim Hee Jeong, South Korea 14:50 - 15:00 Q & A 15:00 - 15:30 Reaking Barriers: Redefining Treatment Standards in High-Risk Early Breast Cancer with Abemaciclib - Satellite Symposium by DKSH Chairperson: Elaine Lim, Singapore Speaker: Stephen Johnston, UK SESSION 2: Navigating the Complexities of Genetic Testing for Hereditary Breast Cancer Syndrome Chairperson: Zhang Zewen, Singapore 15:30 - 15:45 Genetic Testing in an Ethnically Diverse Asian Country Diana Ishak, Singapore 15:45 - 16:00 Mainstreaming Genetic Testing: Balancing Efficiency and Informed Consent Zhang Zewen, Singapore Tumor Board: Hereditary Cancer Syndromes beyond BRCA - Li Fraumeni / Cowden's Moderator: Samuel Ow, Singapore Panellists: Muhammad Azrif, Malaysia Ava Kwong, Hong Kong Faye Lim, Singapore France Sue, Philippines Nur Diana Ishak, Singapore Sabrina Ngaserin, Singapore France Sue, Philippines Nur Diana Ishak, Singapore Sabrina Ngaserin, Singapore Tom Chen, Taiwan 16:40 - 16:55 Q & A SESSION 3: State of the Art Therapies in Young Women Chairperson: Tira Tan, Singapore Panellists: Kiley Loh, Malaysia Thittya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Thittya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Rim Hee Jeong, South Korea Lim Sue Zann, Singapore Tirastor Making the Case for Proton Beam Therapy in Young Women with Breast Cancer Faye Lim, Singapore 18:20 - 18:35 Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA	14:05 - 14:20	
14:35 - 14:30 Kim Hee Jeong, South Korea 14:50 - 15:00 Q & A 15:00 - 15:30 Bracking Barriers: Redefining Treatment Standards in High-Risk Early Breast Cancer with Abemaciclib - Satellite Symposium by DKSH Chairperson: Elaine Lim, Singapore Speaker; Stephen Johnston, UK SESSION 2: Navigating the Complexities of Genetic Testing for Hereditary Breast Cancer Syndrome Chairperson: Zhang Zewen, Singapore Genetic Testing in an Ethnically Diverse Asian Country Diana Ishak, Singapore Mainstreaming Genetic Testing: Balancing Efficiency and Informed Consent Zhang Zewen, Singapore Tumor Board: Hereditary Cancer Syndromes beyond BRCA - Li Fraumeni / Cowden's Moderator: Samuel Ow, Singapore Panellists: Muhammad Azirf, Malaysia Ava Kwong, Hong Kong Faye Lim, Singapore Panellists: Muhammad Azirf, Malaysia Ava Kwong, Hong Kong Faye Lim, Singapore Frances Que, Philippines Nur Diana Ishak, Singapore Sabrina Ngaserin, Singapore Tom Chen, Taiwan 16:40 - 16:55 Q & A SESSION 3: State of the Art Therapies in Young Women Chairperson: Tira Tan, Singapore Panellists: Kiley Loh, Malaysia Thittya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Rim Hee Jeong, South Korea Lim Sue Zann, Singapore 17:35 - 18:05 Pireside chat: Beyond ubiquitous HER2 testing - Making Precision Oncology a Reality for Young Asian Patients Mastura Md Yusof, Malaysia Joline Lim, Singapore Timothy Tay, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA	14:20 - 14:35	·
Breaking Barriers: Redefining Treatment Standards in High-Risk Early Breast Cancer with Abemaciclib - Satellite Symposium by DKSH Chairperson: Elaine Lim, Singapore Speaker: Stephen Johnston, UK SESSION 2: Navigating the Complexities of Genetic Testing for Hereditary Breast Cancer Syndrome Chairperson: Zhang Zewen, Singapore 15:30 - 15:45 Genetic Testing in an Ethnically Diverse Asian Country Diana Ishak, Singapore	14:35 - 14:50	
15:00 - 15:30 Satellite Symposium by DiXSH Chairperson: Elaine Lim, Singapore Speaker: Stephen Johnston, UK SESSION 2: Navigating the Complexities of Genetic Testing for Hereditary Breast Cancer Syndrome Chairperson: Zhang Zewen, Singapore 15:30 - 15:45 Genetic Testing in an Ethnically Diverse Asian Country Diana Ishak, Singapore 15:45 - 16:00 Mainstreaming Genetic Testing: Balancing Efficiency and Informed Consent Zhang Zewen, Singapore Tumor Board: Hereditary Cancer Syndromes beyond BRCA - Li Fraumeni / Cowden's Moderator: Samuel Ow, Singapore Panellists: Muhammad Azrif, Malaysia Ava Kwong, Hong Kong Faye Lim, Singapore Frances Que, Philippines Nur Diana Ishak, Singapore Sabrina Ngaserin, Singapore Frances Que, Philippines Nur Diana Ishak, Singapore Sabrina Ngaserin, Singapore Frances Que, Philippines Nur Diana Ishak, Singapore Sabrina Ngaserin, Singapore Chairperson: Tira Tan, Singapore Panel Discussion: A Case of Pregnancy Associated Breast Cancer Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Thitiya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Joline Lim, Singapore Timothy Tay, Singapore Panellists: Kiley Loh, Malaysia Joline Lim, Singapore Timothy Tay, Singapore 18:05 - 18:20 Making the Case for Proton Beam Therapy in Young Women with Breast Cancer Faye Lim, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA 18:35 - 18:50 Q & A	14:50 - 15:00	Q&A
15:30 - 15:45 Genetic Testing in an Ethnically Diverse Asian Country Diana Ishak, Singapore 15:45 - 16:00 Mainstreaming Genetic Testing: Balancing Efficiency and Informed Consent Zhang Zewen, Singapore Tumor Board: Hereditary Cancer Syndromes beyond BRCA – Li Fraumeni / Cowden's Moderator: Samuel Ow, Singapore Panellists: Muhammad Azrif, Malaysia Ava Kwong, Hong Kong Faye Lim, Singapore Frances Que, Philippines Nur Diana Ishak, Singapore Sabrina Ngaserin, Singapore Tom Chen, Taiwan 16:40 - 16:55 Q & A SESSION 3: State of the Art Therapies in Young Women Chairperson: Tira Tan, Singapore Panel Discussion: A Case of Pregnancy Associated Breast Cancer Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Thitiya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Rim Hee Jeong, South Korea Lim Sue Zann, Singapore Fireside chat: Beyond ubiquitous HER2 testing – Making Precision Oncology a Reality for Young Asian Patients Mastura Md Yusof, Malaysia Joline Lim, Singapore Timothy Tay, Singapore 18:05 - 18:20 Making the Case for Proton Beam Therapy in Young Women with Breast Cancer Faye Lim, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA 18:35 - 18:50 Q & A	15:00 - 15:30	Satellite Symposium by DKSH Chairperson: Elaine Lim, Singapore
15:30 - 15:45 Diana Ishak, Singapore Mainstreaming Genetic Testing: Balancing Efficiency and Informed Consent Zhang Zewen, Singapore Tumor Board: Hereditary Cancer Syndromes beyond BRCA - Li Fraumeni / Cowden's Moderator: Samuel Ow, Singapore Panellists: Muhammad Azrif, Malaysia Ava Kwong, Hong Kong Faye Lim, Singapore Frances Que, Philippines Nur Diana Ishak, Singapore Sabrina Ngaserin, Singapore Tom Chen, Taiwan 16:40 - 16:55 Q & A SESSION 3: State of the Art Therapies in Young Women Chairperson: Tira Tan, Singapore Panel Discussion: A Case of Pregnancy Associated Breast Cancer Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Thitiya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Kim Hee Jeong, South Korea Lim Sue Zann, Singapore 17:35 - 18:05 Fireside chat: Beyond ubiquitous HER2 testing - Making Precision Oncology a Reality for Young Asian Patients Mastura Md Yusof, Malaysia Joline Lim, Singapore Timothy Tay, Singapore 18:05 - 18:20 Making the Case for Proton Beam Therapy in Young Women with Breast Cancer Faye Lim, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA 18:35 - 18:50 Q & A		
Tumor Board: Hereditary Cancer Syndromes beyond BRCA – Li Fraumeni / Cowden's Moderator: Samuel Ow, Singapore Panellists: Muhammad Azrif, Malaysia Ava Kwong, Hong Kong Faye Lim, Singapore Frances Que, Philippines Nur Diana Ishak, Singapore Sabrina Ngaserin, Singapore Tom Chen, Taiwan 16:40 – 16:55 Q & A SESSION 3: State of the Art Therapies in Young Women Chairperson: Tira Tan, Singapore Panel Discussion: A Case of Pregnancy Associated Breast Cancer Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Thitiya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Kim Hee Jeong, South Korea Lim Sue Zann, Singapore Fireside chat: Beyond ubiquitous HER2 testing – Making Precision Oncology a Reality for Young Asian Patients Mastura Md Yusof, Malaysia Joline Lim, Singapore Timothy Tay, Singapore 18:05 – 18:20 Making the Case for Proton Beam Therapy in Young Women with Breast Cancer Faye Lim, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA 18:35 – 18:50 Q & A	15:30 - 15:45	
16:00 - 16:40 Panellists: Muhammad Azrif, Malaysia Ava Kwong, Hong Kong Faye Lim, Singapore Frances Que, Philippines Nur Diana Ishak, Singapore Sabrina Ngaserin, Singapore Tom Chen, Taiwan 16:40 - 16:55 Q & A SESSION 3: State of the Art Therapies in Young Women Chairperson: Tira Tan, Singapore Panel Discussion: A Case of Pregnancy Associated Breast Cancer Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Thitiya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Kim Hee Jeong, South Korea Lim Sue Zann, Singapore 17:35 - 18:05 Sirieside chat: Beyond ubiquitous HER2 testing - Making Precision Oncology a Reality for Young Asian Patients Mastura Md Yusof, Malaysia Joline Lim, Singapore Timothy Tay, Singapore 18:05 - 18:20 Making the Case for Proton Beam Therapy in Young Women with Breast Cancer Faye Lim, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA 18:35 - 18:50 Q & A	15:45 - 16:00	
SESSION 3: State of the Art Therapies in Young Women Chairperson: Tira Tan, Singapore Panel Discussion: A Case of Pregnancy Associated Breast Cancer Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Thitiya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Kim Hee Jeong, South Korea Lim Sue Zann, Singapore Fireside chat: Beyond ubiquitous HER2 testing - Making Precision Oncology a Reality for Young Asian Patients Mastura Md Yusof, Malaysia Joline Lim, Singapore Timothy Tay, Singapore Making the Case for Proton Beam Therapy in Young Women with Breast Cancer Faye Lim, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA 18:35 - 18:50 Q & A	16:00 - 16:40	Moderator: Samuel Ow, Singapore Panellists: Muhammad Azrif, Malaysia Ava Kwong, Hong Kong Faye Lim, Singapore Frances Que, Philippines Nur Diana Ishak, Singapore Sabrina Ngaserin, Singapore
Chairperson: Tira Tan, Singapore Panel Discussion: A Case of Pregnancy Associated Breast Cancer Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Thitiya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Kim Hee Jeong, South Korea Lim Sue Zann, Singapore Fireside chat: Beyond ubiquitous HER2 testing - Making Precision Oncology a Reality for Young Asian Patients Mastura Md Yusof, Malaysia Joline Lim, Singapore Timothy Tay, Singapore Making the Case for Proton Beam Therapy in Young Women with Breast Cancer Faye Lim, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA 18:35 - 18:50 Q&A	16:40 - 16:55	Q&A
16:55- 17:35 Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Thitiya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore Kim Hee Jeong, South Korea Lim Sue Zann, Singapore Fireside chat: Beyond ubiquitous HER2 testing - Making Precision Oncology a Reality for Young Asian Patients Mastura Md Yusof, Malaysia Joline Lim, Singapore Timothy Tay, Singapore Making the Case for Proton Beam Therapy in Young Women with Breast Cancer Faye Lim, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA 18:35 - 18:50 Q & A		
Mastura Md Yusof, Malaysia Joline Lim, Singapore Timothy Tay, Singapore Making the Case for Proton Beam Therapy in Young Women with Breast Cancer Faye Lim, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA 18:35 - 18:50 Q & A	16:55- 17:35	Moderator: Ma Jun, Singapore Panellists: Kiley Loh, Malaysia Thitiya Sirisinha Dejthevaporn, Thailand Yang Liying, Singapore
18:05 – 18:20 Faye Lim, Singapore Incorporating Novel Therapies in Neo(Adj) Therapies for Young Women with Breast Cancer, Immunotherapy, Antibody drug conjugates and more Sara Tolaney, USA 18:35 – 18:50 Q & A	17:35 - 18:05	
18:20 – 18:35 Antibody drug conjugates and more Sara Tolaney, USA 18:35 – 18:50 Q & A	18:05- 18:20	
	18:20 - 18:35	Antibody drug conjugates and more
18:50 - 19:00 Closing Remarks	18:35 - 18:50	Q&A
	18:50 - 19:00	Closing Remarks
